Towbar capacity subject to regulatory requirements, towbar design, vehicle design and towing equipment limitations. 2. Park Assist is designed as driver assist aid only and should not be used as a substitute for skilled driving and safe parking practices. While the Park Assist sensors monitor objects on approach, there may be occasions where blind spots affect the sensitivity of the sensors and as a result the area into which the vehicle is heading must be visually monitored by the driver at all times while parking. 3. Load capacity = 125kg evenly distributed across 3 bars with secure lock function.
